Letter of recommendation

Dear Sir or Madam,

Dr. Paulo César Mendes has been regularly performing translations in the language combination English – Portuguese in a freelance capacity in the field of medicine for mpü since three years.

Dr. Mendes accomplishes these translations with painstaking diligence to our utmost satisfaction. He always delivers excellent work under great pressure of time. His translations are correct, both technically and terminologically, as well as being extremely precise linguistically.

Dr. Mendes conscientiously familiarises himself with any additionally forwarded information material and reacts flexibly to customers' wishes. In addition, Dr. Mendes invariably responds promptly to queries on our part and always completes his translation projects by the agreed delivery date.

We have come to know Dr. Mendes as extremely reliable and professional. He is always friendly, obliging and helpful in his dealings with the project managers.

We are happy to count Dr. Mendes as one of our colleagues.
